Everything begins with attendance. When you are absent you cannot participate, listen to classmates, or review for exams. Education is a major investment in yourself, so get your money's worth and show up!

Students are expected to attend all classes in order to be successful in a course. The student will be withdrawn from the course whenever absences become excessive or, in the instructor's opinion, minimum course objectives cannot be met due to absences. Students are responsible for all class work covered during absences from class, even in cases in which they are able to satisfy the instructor that the absence was unavoidable.

Equally important, if you accumulate 3 weeks of absences, **YOU WILL BE DROPPED** (unless extenuating circumstances prevail). Please recognize that you, **THE STUDENT**, are responsible for communicating with me.

Please refer to "Class Attendance" policy in the SPC General Catalog.
