Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

You may contact your instructor by phone or email. You will find your instructor's contact information in the employee directory at the link below.

<http://www2.southplainscollege.edu/information-for/employees/employee-directory> ; as well as on Course Schedule/Syllabus on Blackboard.

Evaluation:

Course grade will be assessed according to completion of assignments and exams listed on the Grade Summary Sheet.

Attendance and Tardy Policy

All students enrolled for this course are expected to attend class regularly, be on time, and remain until dismissed. Roll will be taken at the beginning of each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed.

Whenever absences become excessive and, in the instructor's opinion, minimum course objectives cannot be met, the student should initiate withdrawal from the course.

The instructor may or may not administratively drop a student due to excessive absences.

Please verify your instructor's policies on absences and drops/withdrawals.

!!! Students are responsible for all classwork covered during absences from class even in cases in which they are able to satisfy the instructor that the absence was unavoidable!!!

The department abides by this policy and enforces the following guidelines established for SPCH 1321:

1. Missing more than two weeks' worth of class is considered excessive.
MW/TR – 4 sick days allotted
MWF – 6 sick days allotted
MTR – 3 sick days allotted
One day per week – 2 sick days allotted
2. Three (3) tardies in a MWF and MTR class
3. Two (2) tardies in a MW or TR class will constitute an absence.
4. If a student leaves class prior to dismissal of the class, he/she may be counted absent.
5. Being absent one day over your allotment will lower your final course total by 10 points.
6. Each subsequent absence will lower your final course total by 5 points.
7. If, in the instructor's opinion, minimum course objectives cannot be met due to absences, the student should withdraw from the course.

Make- Up Policy

Make-up work is NOT guaranteed. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. If a student must be absent to represent the college, she/he should advise the instructor beforehand and should have a signed permit from his/her coach or sponsor. In such cases, it is the student's responsibility to complete work missed within a reasonable amount of time as determined by the instructor. Each student must make an appointment with the instructor to make arrangements for make-up work. Late work may not receive full credit. An absence on the day that you are scheduled for oral presentations or examinations will result in a grade of zero for the assignment. If, according to the instructor's discretion, the student is allowed to make up such a presentation or exam, the student will automatically receive a grade drop for the assignment (up to 20 point grade reduction). If late work is allowed, must be turned in no later than one week after end of the relevant unit.

CAMPUS GUIDELINES FOR THE REESE CENTER

CHILDREN ON CAMPUS Many of the students attending classes at South Plains College are also parents who value the opportunity to participate in higher education. Sometimes students are faced with the decision of whether to remain at home with their children, bring children with them to class, or be absent from class. The following guidelines address concerns for the safety of children on campus and provide for an environment conducive to learning:

2. Children may not be left unattended. In order to provide for the safety of children on campus, parents or other guardians are responsible for supervising children while utilizing services or conducting business on campus.
3. Disruptive children will not be allowed to interfere with college business. Parents or other guardians are responsible for supervising and controlling the behavior of children they have brought on campus.
