Instructor Responsibilities:

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be

Attendance and Tardy Policy:

All students enrolled for this course are required to attend class regularly, be on time, and remain until dismissed. Roll will be taken at each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed. Two (2) tardies in M-TR class will constitute an absence. If a student leaves class prior to dismissal of the class, he/she may be counted absent.

Whenever absences become excessive and, in the instructor's opinion, minimum course objectives cannot be met due to absences, the student should initiate withdrawal from the course. The instructor may or may not administratively withdraw a student due to excessive absences. Please verify your instructor's policies on absences and drops/withdrawals. Students are responsible for all class work covered during absences from class, even in cases in which they are able to satisfy the instructor that the absence was unavoidable.

The department abides by this policy and enforces the following guidelines established for SPCH 1315:

Monday/Wednesday--Tuesday/Thursday Classes:

More than four absences will be considered excessive.

Your **fifth** absence will **lower** your final course total by 10 points; should consult with instructor to consider dropping class

Each subsequent absence will lower your final course total by 5 points.

Monday – Thursday (Summer) Classes:

Your third absence will lower your final course total by 10 points.

Each subsequent absence will lower your final course total by 5 points.

More than six absences will be considered excessive and if, in the instructor's opinion, minimum course objectives cannot be met due to absences, the student should withdraw from the course.

Make-Up Policy:

Make-up assignments are NOT guaranteed. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed within a reasonable amount of time. If a student must be absent to represent the college, she/he should advise the instructor beforehand and should have a signed permit from his/her coach or sponsor. In such cases, it is the student's responsibility to complete work missed within a

reasonable amount of time as determined by the instructor. Each student must make an appointment with the instructor to make arrangements for make-up work. Late daily work will not be accepted. An absence on the day in which you are scheduled for oral presentations or examination, may result in a grade of zero for the assignment. If according to the instructor's discretion, the student is allowed to make-up such a presentation, the student will automatically receive a grade drop of one whole letter grade for the assignment (that is, if you give an "A" presentation, you will receive a "B"). Make-up work must be completed by week after end of unit.

Failure to submit any two major assignment (as defined by the instructor) may result in a failing grade for the course.

Students are responsible for adherence to the attendance requirements set forth by the instructor in the course syllabus.
1. **Children may not be left unattended**. In order to provide for the safety of children on campus, parents or other guardians are responsible for supervising children while utilizing services or conducting business on campus.
2. **Disruptive children will not be allowed to interfere with college business**. Parents or other guardians are responsible for supervising and controlling the behavior of children they have brought on campus.
