**NURSING CARE OF THE CHILDBEARING AND
CHILDREARING FAMILY**

ASSOCIATE DEGREE NURSING PROGRAM

DEPARTMENT OF NURSING

HEALTH OCCUPATION DIVISION

LEVELLAND CAMPUS

SOUTH PLAINS COLLEGE

SPRING 2019

SCANS COMPETENCIES

RESOURCES: Identifies, organizes, plans and allocates resources.

- C-1 **TIME**--Selects goal--relevant activities, ranks them, allocates time, and prepares and follows schedules.
- C-2 **MONEY**--Uses or prepares budgets, makes forecasts, keeps records, and makes adjustments to meet objectives
- C-3 **MATERIALS & FACILITIES**--Acquires, stores, allocates, and uses materials or space efficiently.
- C-4 **HUMAN RESOURCES**--Assesses skills and distributes work accordingly, evaluates performances and provides feedback.

INFORMATION--Acquires and Uses Information

- C-5 Acquires and evaluates information.
- C-6 Organizes and maintains information.
- C-7 Interprets and communicates information.
- C-8 Uses computers to Process information.

INTERPERSONAL--Works With Others

- C-9 Participates as members of a team and contributes to group effort.
- C-10 Teaches others new skills.
- C-11 Serves clients/customers--works to satisfy customer's expectations.
- C-12 Exercises leadership--communicates ideas to justify position, persuades and convinces others, responsibly challenges existing procedures and policies.
- C-13 Negotiates--Works toward agreements involving exchanges of resources resolves divergent interests.
- C-14 Works with Diversity--Works well with men and women from diverse backgrounds.

SYSTEMS--Understands Complex Interrelationships

- C-15 Understands Systems--Knows how social, organizational, and technological systems work and operates effectively with them
- C-16 Monitors and Correct Performance--Distinguishes trends, predicts impacts on system operations, diagnoses systems' performance and corrects malfunctions.
- C-17 Improves or Designs Systems--Suggests modifications to existing systems and develops new or alternative systems to improve performance.

TECHNOLOGY--Works with a variety of technologies

- C-18 Selects Technology--Chooses procedures, tools, or equipment including computers and related technologies.
- C-19 Applies Technology to Task--Understands overall intent and proper procedures for setup and operation of equipment.
- C-20 Maintains and Troubleshoots Equipment--Prevents, identifies, or solves problems with equipment, including computers and other technologies.

FOUNDATION SKILLS

BASIC SKILLS--Reads, writes, performs arithmetic and mathematical operations, listens and speaks

- F-1 Reading--locates, understands, and interprets written information in prose and in documents such as manuals, graphs, and schedules.
- F-2 Writing--Communicates thoughts, ideas, information and messages in writing, and creates documents such as letters, directions, manuals, reports, graphs, and flow charts.
- F-3 Arithmetic--Performs basic computations; uses basic numerical concepts such as whole numbers, etc.
- F-4 Mathematics--Approaches practical problems by choosing appropriately from a variety of mathematical techniques.
- F-5 Listening--Receives, attends to, interprets, and responds to verbal messages and other cues.
- F-6 Speaking--Organizes ideas and communicates orally.

THINKING SKILLS--Thinks creatively, makes decisions, solves problems, visualizes, and knows how to learn and reason

- F-7 Creative Thinking--Generates new ideas.
- F-8 Decision-Making--Specifies goals and constraints, generates alternatives, considers risks, and evaluates and chooses best alternative.
- F-9 Problem Solving--Recognizes problems and devises and implements plan of action.
- F-10 Seeing Things in the Mind's Eye--Organizes and processes symbols, pictures, graphs, objects, and other information.
- F-11 Knowing How to Learn--Uses efficient learning techniques to acquire and apply new knowledge and skills.
- F-12 Reasoning--Discovers a rule or principle underlying the relationship between two or more objects and applies it when solving a problem.

PERSONAL QUALITIES--Displays responsibility, self-esteem, sociability, self-management, integrity and honesty

- F-13 Responsibility--Exerts a high level of effort and preservers towards goal attainment.
- F-14 Self-Esteem--Believes in own self-worth and maintains a positive view of self.
- F-15 Sociability--Demonstrates understanding, friendliness, adaptability, empathy, and politeness in group settings.
- F-16 Self-Management--Assesses self accurately, sets personal goals, monitors progress, and exhibits self-control.
- F-17 Integrity/Honesty--Chooses ethical courses of action.

COURSE SYLLABUS

COURSE TITLE: RNSG 1412 Nursing Care of the Childbearing and Childrearing of Family

INSTRUCTORS: Jill Pitts, RNC, MSN
Fausto Montez, RN, MSN

OFFICE LOCATION AND PHONE/E-MAIL:

Jill Pitts 716-2385 (office), jpitts@southplainscollege.edu
806-787-0997 (Cell) Office AH107F
Fausto Montez 716- (office). fmontez@southplainscollege.edu
806-241-1266 (Cell) Office AH107

OFFICE HOURS: Posted on each instructor's door.

SOUTH PLAINS COLLEGE IMPROVES EACH STUDENT'S LIFE

I. GENERAL COURSE INFORMATION

A. COURSE DESCRIPTION

RNSG 1412 is the study of the concepts related to the provision of nursing care for childbearing and childrearing families within the four roles of nursing (member of the profession, provider of patient-centered care, patient safety advocate, and member of the health care team). This course includes the application of systematic problem-solving processes and critical thinking skills, including a focus on the childbearing family during the perinatal periods and the childbearing family from birth to adolescence. Upon completion of this course, the student will show competency in knowledge, judgment, skill and professional values within a legal/ethical framework focused on childbearing and childrearing families. This course must be taken and passed concurrently with RNSG 2462.

Supportive foundation knowledge needed to care for the childbearing/childrearing individual, family and community includes physical and emotional aspects of nursing care, integrating developmental, nutritional, and pharmacological concepts. Additionally, essential in success are concepts of communication, safety, legal ethical issues, current technology, economics, humanities and biological, social and behavioral sciences.

1. Meet all requirements for admission into the Associate Degree Nursing Program.

2. Prerequisites: RNSG 1513, 1205, 1160, 1115, 1443, 2460, 2213, BIOL 2402,2420, PSYC 2314.

3. Placement: SPRING 2019

4. Time Allotment: Sixteen (16) weeks. The course allows four- (4) semester hour credits. This includes four (4) hours of classroom and instruction each week.

5. Teaching Strategies: Demonstrations, independent assignment, nursing laboratory, simulated lab, audiovisual media, student presentations, and group discussion, selected presentations, and group discussion, selected case presentation material, review of journal articles, study guides, and lecture seminars.

6. Teaching Personnel: Associate Degree Nursing faculty; guest speakers.

7. In addition to the program educational objectives, all SCANS and DECS (Differentiated Essential

Competencies, 2010) are found throughout the syllabus. The DECS are designated by their letters and numbers in the numbered role columns in each unit. The SCANS competencies are identified by letter and number at the beginning of each unit.

B. COURSE LEARNING OUTCOMES

Upon successful completion of RNSG 1412 the student will meet the Student Learning Outcomes (SLO'S) and will meet all Graduate Educational Outcomes (GO's) as specifically applied to the childbearing and/or childrearing family. Additional specific information and objectives are found in the course description and each unit's objectives. In addition to the program educational objectives, all SCANS and FOUNDATIONS skills and DECS (Differentiated Essential Competencies, 2010) are found throughout the syllabus. The DECS are designated by their letters and numbers in the numbered role columns in each unit. The SCANS and FOUNDATIONS competencies are identified by letter and number at the beginning of each unit.

SPC ADN PROGRAM GRADUATE OUTCOMES

1. CLINICAL DECISION MAKING – Provides competent nursing interventions based on application of the nursing process and demonstration of critical thinking, independent judgment, and self-direction while caring for patients and their families.
2. COMMUNICATION AND INFORMATION MANAGEMENT – Communicates effectively utilizing technology, written documentation and verbal expression with members of the health care team, patients and their families.
3. LEADERSHIP – Demonstrates knowledge of basic delegation, leadership management skills and coordinates resources to assure optimal levels of health care for patients and their families.
4. SAFETY – Implements appropriate interventions to promote a quality and safe environment for patients and their families.
5. PROFESSIONALISM – Demonstrates knowledge of professional development and incorporates evidenced based practice in the nursing profession. Incorporates concepts of caring, including moral, ethical, legal standards while embracing the spiritual, cultural and religious influences on patients and their families.

STUDENT LEARNING OUTCOMES – RNSG 1412

CLINICAL DECISION MAKING

1. Analyze and utilize assessment and reassessment data to plan and provide individualized care for the childbearing/childrearing patient and family.
2. Demonstrate the orderly collection of information from multiple sources to establish a foundation of holistic nursing care to meet the needs of the childbearing/childrearing patient and family.
3. Manage and prioritize nursing care of the childbearing/childrearing patient and family.

COMMUNICATION

4. Demonstrate effective communication through caring, compassion, and cultural awareness for the childbearing/childrearing patient and family.

5. Develop, implement, and evaluate individualized teaching plans for the childbearing/childrearing patient and family.

LEADERSHIP

6. Demonstrates shared planning, decision making, problem solving, goal setting, cooperation and communication with the childbearing/childrearing patient, family and members of the healthcare team.

7. Coordinate and evaluate the effectiveness of the healthcare team and community resources in the delivery of health care to the childbearing/childrearing patient and family.

SAFETY

8. Provide safe, cost-effective nursing care in collaboration with members of the health care team using critical thinking, problem solving, and the nursing process in a variety of settings through direct care, assignment or delegation of care.

PROFESSIONALISM

9. Integrate ethical, legal, evidence based and regulatory standards of professional nursing practice in caring for the childbearing/childrearing patient and family.

10. Demonstrate caring behaviors that are nurturing, protective, safe, compassionate and person-centered where patient choices related to cultural values, beliefs and lifestyle are respected in the childbearing/childrearing patient and family.

11. Assume responsibility for professional and personal growth and development.

C. COURSE COMPETENCIES

Successful completion of this course requires a grade of “C” or better; satisfactory total grade point average on examinations and assignments, satisfactory achievement of unit objectives; completion of pediatric math competency exam with a grade of 90% or better, completion of standardized tests as applicable to the curriculum, and regular classroom attendance. Upon successful completion of this course, each student will have demonstrated accomplishment of the level objectives for the course, through a variety of modes (exams, role-play, case studies, individual presentation, and group presentation).

D. ACADEMIC INTEGRITY

Refer to the SPC College Catalog. Also refer to the SPC ADN Nursing student handbook “Honesty Policy”. This policy covers testing violations, record falsification violations and plagiarism violations. Plagiarism violations will result in dismissal from the ADN Program.

Examples of student plagiarism¹

- Copying material without quotes, in-text citations, and/or referencing
- Paraphrasing content without in-text citation and/or referencing
- Copying ideas, words, answers, exams, or shared work from others when individual work is required
- Using another’s paper in whole or in part
- Allowing another student to use one’s work
- Claiming someone else’s work is one’s own
- Resubmitting one’s own coursework, when original work is required (self-plagiarism)
- Falsifying references or bibliographies

- Getting help from another person without faculty knowledge or approval
- Purchasing, borrowing, or selling content with the intent of meeting an academic requirement for oneself or others

Smith, L. (2016), Nursing 2016, 46 (7) p. 17

E. SCANS AND FOUNDATIONS SKILLS

Scans and foundation skills found within this course are listed below the unit title and above the content column of each unit.

F. VERIFICATION OF WORKPLACE COMPETENCIES

Successful completion of the SCANS; DECS; Graduate Outcomes at the semester four level; and RNSG 1412 Student Learning Outcomes will allow the student to graduate from the program. Upon successful completion of the program students will be eligible to apply to take the state board exam (NCLEX) for registered nurse licensure.

SPECIFIC COURSE REQUIREMENTS

A. TEXTBOOKS AND OTHER MATERIALS

Required Texts

Lowdermilk, Perry, Cashion & Alden (2016). Maternity & Women's Health Care (11th Edition).

Study Guide for Maternity & Women's Health Care.

Ball, Bindler & Cowan (2019). Child Health Nursing (3rd Edition, Update).

Taketome, Hodding, & Kraus (2017 or 2018). Lexicomp's Pediatric Dosage Handbook. (24th or 25th Edition)

* * Drug Book of Choice

* * Medical Dictionary of Choice

B. ATTENDANCE POLICY

The SPC ADNP policy must be followed. Refer to the SPC ADNP Student Nurse handbook to review this policy. In addition, refer to the attendance policy found in the South Plains College Catalog.

Lecture attendance is mandatory. The instructor will initiate a student's withdrawal if a student misses 8 hours or more of class. The student is encouraged to review and follow the attendance policy in the SPC Student Handbook.

C. ASSIGNMENT POLICY

1. All required work must be in on time. Assigned outside work is due on the dates specified by the instructor. Assignments turned in later than the due date will not be accepted unless the instructors clear the circumstances with the student. Regardless of the circumstance, late work will be assessed penalty points by the instructor. The assignment will be docked five (5) points per day for each late day. **The assignment will be docked 2.5 points if turned in on the date but after the time it is due.** An assignment will not be accepted after one week past the due date; therefore, the grade will be a zero if the

assignment more than 1 week late.

2. All testing will be administered in the computer lab. In the event of computer scheduling problems, a paper & pencil test will be given. No cell phones, USB drives, smart watches, laptop computers are ever allowed in the computer lab; students in violation of this rule may be dismissed from the program.

- a. There will be 6 exams scheduled throughout the semester that will comprise 66 % of the course grade. If an exam is missed due to an excused absence, an alternate make-up exam may be given or the exam following the missed exam may be counted in its place (this may be allowed once during the semester for an excused absence).
- b. The final exam is comprehensive and must be taken by all students with an exam average below 85%. It comprises 23 % of the final grade and must be taken when scheduled or the student may be given an alternate make-up exam.
- c. The Maternity and Pediatric ATI Tests will be taken during the semester. The two scores will be averaged together & counted as 11 % of the final grade. (< level 1 = 40, level 1=60, level 2 = 80, level 3 = 100.)
- d. Satisfactory completion of a pediatric medication administration exam with a grade of 90% or above. The exam may be retaken twice if not passed the first time. If a student does not pass the exam by the third attempt, they will be dropped from the course and it is considered a failed attempt at completing the course.

D. GRADING POLICY

1. The course grade will be compiled of 6 Exams (66%); Final Exam (23%); and ATI test average (11% of final grade).
2. A course grade worksheet for student use can be found in the Appendix.
3. The course grade must be 77% or better to pass the course.
4. A student must have received a minimum course grade of "C" or above to progress to the next nursing course or graduate.

Grading Scale:

A = 90% - 100%
B = 80% - 89.99%
C = 77% - 79.99%
D = 60% - 76.99%
F = below 60.00%

5. Failure of either theory or clinical will necessitate repeating all concurrent courses. When repeating any course, the student is required to retake all aspects of the course, including the required written work.

II. COURSE OUTLINE (please see Table of Contents)

III. ACCOMMODATIONS

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Special Services Office. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Special Services Coordinator. For more information, call or visit the Special Services Office in the Student Services Building, 894-9611 ext. 2529, 2530.
